

Philosophy Statement

WE BELIEVE players are made on the practice field.

WE BELIEVE there are no shortcuts and winning is a bi-product of attitude, discipline and hardwork.

WE BELIEVE a college education is a necessity, receiving a scholarship to play is an honor, and any and all opportunities beyond that are the rewards.

WE BELIEVE through a visionary program we can

- ▶ Develop and provide a highly successful, fundamentally sound baseball program for players in Clark County of all ages.
- ▶ Assist players in developing old school values in the pursuit of athletic proficiency.
- ▶ Structure a training and development environment to enhance and promote three primary player goals:
 1. To train hard and develop the necessary fundamental skills to make a High School Varsity Team
 2. To put forth strong dedication and commitment to improvement which advances skills to the level of college play and promotes scholarship opportunities
 3. Obtain a career playing Professional baseball

WE BELIEVE having completed the journey with RyderShowtime our players will leave the program having:

1. Developed strong lifeskills, leadership, courage and sportsmanship.
2. Developed into disciplined, value-driven citizens of the community
3. Learned respect for the game and the community in which we live

WE BELIEVE that the lives of the players, coaches and participating families should be enriched by their participation and experiences within the RyderShowtime programs.
